

REMARKS

Consideration of this application in light of the present amendment is respectfully requested.

Claims 1, 5, 8 and 10-16 have been amended to eliminate multiple dependencies.

Claims 1-16 are pending in this application.

The references of record in the priority application have been reviewed and applicants respectfully submit that the invention is patentably distinct and nonobvious over each taken alone or in combination.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

Authorization is hereby given to charge any fees necessitated by actions taken herein to Deposit Account 50-2117.
